ROSEBUD CONSERVATION DISTRICT MEETING MINUTES

September 3, 2015

7:00 PM

USDA Service Center, 270 S. Prospect, Forsyth, MT 59327

Would like to put something together regarding MACD's role with Districts. RCD would like to see MACD taking a leadership role vs, just passing information with emails & forwarding emails & collecting money. We would like to see them for example, explain to cd's how the changes in the clean water act affect districts and what our role or actions should be. We would like to be a little better informed when there are changes coming from Helena as well.

MACD has a new Resolution process and we must have our concept for a resolution by September 10th.

Area IV meeting is September 22, 2015 in Columbus, we are hosting the 2015 Area IV meeting.

Wrong its in Absorke.

Little Red IRM books:

Diane has asked if the CD would purchase a few of these books and sell them to producers to use for record keeping, cost is around \$8/book.

They are available free so we won't be purchasing any

Raffle drawing:
